

Tender Specification

Client

The Co-working Co-operative CIC, 18-20 Union Street, Sheffield, S1 2JP

Details of the Opportunity

We are seeking to install MVHR ventilation across three floors of the building, to create safer workspaces in relation to the risks of Covid-19

Details of what is required in a Response from Interested Parties

Please send a full quote outlining the suggested approach and the total cost

Detail of how Successful Suppliers will be Chosen

We are seeking a reliable service at the best price. Through this process of quotation we will gauge a sense of the approaches taken by each provider, from these we will create a shortlist of those we would feel confident of working with, and from this short list we will choose the provider who demonstrates best value for money.

Details of how to Apply

Please email matt@union-st.org by Tuesday 24th August

Scoring Criteria to be judged by three people

The criteria to use be used are;

- 1) Please rate the approach taken by each provider
- 2) Please rate the degree of confidence that you would have in working with this provider
- 3) Please rate the degree to which you feel this quote offers value for money
